

ELKHORN RANCH

Dear Mr. Bird,

I am pleased to support Bina R. Peters for the position of Associate Water Judge at the Montana Water Court. With over a decade of private practice dedicated exclusively to water rights, Bina has worked closely with a wide range of clients, including farmers, ranchers, municipalities, and developers. Her practical experience navigating Montana's complex water rights system sets her apart from other candidates.

Bina's expertise was instrumental in resolving a challenging water rights issue I faced. She provided clear, effective guidance and demonstrated a deep understanding of both the legal and practical aspects of water use in Montana. Her ability to connect with clients and develop real-world solutions highlights her exceptional qualifications for this role.

As a judge, Bina would bring a balanced and practical perspective, ensuring fair and efficient adjudication. Her commitment to serving water users and her extensive experience make her uniquely qualified for this important position.

Thank you for considering my input.

Best Regards,
