To whom it may concern:

I have been asked to write a letter of support for Bill Fanning!!

I have known Bill Fanning for several years. I am a Commissioner on the East Bench Irrigation Board as well as a Madison County Commissioner. Bill was our legal representative for the East Bench District during the readjudication process and also during our contract renewal. Bill is a very good listener. Patient and is very good at researching the laws that apply to water challenges. Seems to be more than willing to try to come up with some way to resolve the issues at hand. He has done an excellent job for the East Bench and I would most definitely recommend Him for a Judge for the water Courts!!!

Sincerely,

Ronald E. Nye
