Re: **Letter of Support for Julia Nordlund**

Dear Chief Justice,

I write this letter in support of Julia Nordlund being appointed Associate Water Judge of the Montana Water Court.

I have known and worked with Julia for several years. I have been to and hosted several water commissioner training sessions where Julia has been a presenter. She is very knowledgeable. She has presented to the Montana Clerks of District Court Association on numerous occasions. During those presentations she has reviewed with the Clerks of District Court their responsibilities with water commissioners and answered all our questions.

Julia has always been available when an issue has arisen with a water commissioner. I appreciate her knowledge and ability to help resolve any issue that may arise.

Considering her experience with the Water Court and if appointed, I believe Julia will step into the role of Associate Water Court Judge seamlessly.

Please feel free to contact me to further discuss Julia's ability to be a great Associate Water Court Judge.

Sincerely,

Carly Jay Anderson  
Clerk of District Court
