Elapsed Time is calculated from date that the NOIA period closed to the month indicated in last column.

Percentage Complete is calculated based on number of claims on the objection list compared to the number of claims open. When % complete is negative, this indicates that filings outside the decree issuance process have been received by the court and need attention. These additional proceeding include but are not limited to motions to amend, splits, and claims called in on-motion of the court.

Greyed out cells indicate that the the elapsed time has not been reached.
